Medical Curiosities: A Cabinet of Medical Curiosities ...

The Mütter Museum is an excellent example of a nineteenth-century grotesque cabinet of medical curiosities. [22] [23] P. T. Barnum established Barnum's American Museum on five floors in New York, "perpetuating into the 1860s the Wunderkammer tradition of curiosities for gullible, often slow-moving throngs—Barnum's famously sly but effective method of crowd control was to post a sign, "THIS WAY TO THE EGRESS!"

Nonfiction Book Review: A Cabinet of Medical Curiosities ...

A visitor to these museums often saw things which, in later years, became the staple of carnival side shows. In "A Cabinet of Medical Curiosities", Jan Bondeson, a British physician who also holds a doctorate in experimental medicine, has written a fascinating and brilliantly executed textual analogue to the cabinet of curiosities.
