Best Practices - AIA
AIA Document A107™-2007 establishes the agreement between an Owner and Contractor for construction projects of a limited scope. A107-2007 is a stand-alone agreement because it contains its own internal general conditions and does not require the addition of a separate general conditions document.

Contractdocs Help
When you generate a Final document, your document is compared to the AIA original and differences are noted (i.e., variance checked). You can check the document in one of two modes: Clean - All the additions to and deletions from the document are indicated in the margin, parallel to where the changes occur.
