### An Introduction to Project Management

An introduction to the project The Satyricon is - well, to simplify for the purposes of smooth exposition - an ancient Roman novel. It is preserved only in fragments: the text breaks off frequently, spoiling the flow of the plot. We have only a small portion of the original.

### An introduction to the project | amazoniaca

A project is a temporary and one-time exercise which varies in duration. It is undertaken to address a specific need in an organisation, which may be to create a product or service or to change a business process. This is in direct contrast to how an organisation generally works on a permanent basis to produce their goods or services.

### Introduction to Project Management

When writing the Introduction, take care not to confuse the report with the project. The project is the work you did; it had an aim, motivation and an outcome. The report is the mode of communicating that work to the reader. This is the Introduction to a report presenting two concept designs for a civil engineering project.
