Blood Deal, Prof Croft, Book #2 by Brad Magnarella I'm enjoying this series. The books are paced well, with lots of action flowing easily from one scene to another. The characters are pretty consistent, there is an interesting mystery to solve with lots of red herrings to keep the reader guessing about different elements of the situation.

Blood Deal (Prof Croft, #2) by Brad Magnarella

A very entertaining read! This is the 3rd book in the Prof Croft series. The prequel novella was good. The first novel just didn't live up to my expectations. However, I enjoyed it enough to continue the series and hope for something better. I was definitely rewarded with Blood Deal! It's a great book! It's fast paced and action packed.
