This is a fairly comprehensive self-teach course in ancient Greek. It has a heavy focus on grammar and syntax, and moves along at a fast pace with which it is hard to keep up. Each chapter covers a lot of ground and introduces many new words. Explanations are fairly compact and tend to use technical grammatical terms which may not be familiar.

Best Books on Ancient Greek History and Literature

Greek has been spoken in the Balkan peninsula since around the 3rd millennium BC, or possibly earlier. The earliest written evidence is a Linear B clay tablet found in Messenia that dates to between 1450 and 1350 BC, making Greek the world's oldest recorded living language.Among the Indo-European languages, its date of earliest written attestation is matched only by the now-extinct Anatolian ...
