May 10, 2012 - centimeter graph paper for use with Cuisenaire rods

centimeter graph paper for use with Cuisenaire rods ...

Cuisenaire Rods & Activity Books Before a child can grasp the abstract ideas needed for computational skills, the concrete foundation must be laid. These colorful rods, based on a 1 cm. unit, accurately portray the volume of a number.

Cuisenaire Rods & Activity Books | Rainbow Resource

With any math tool, we started with exploratory play. I introduced the cuisenaire rods by name, handed out a mat for using the rod (just 1 cm graph paper), and set the timer for 10 minutes. Why do we play first? My friends know we put first-things-first, so when we pull out these number rods, I want to make sure we are using them as math tools, not as toys.

Using Cuisenaire Rods - The Brown Bag Teacher

Make a picture on 1cm square graph paper with Cuisenaire Rods. Then write down the coordinates of the rods. Voila! You have the coordinate representation of your picture. Furthermore, you've practiced coordinates! Cool, right? The rub is that you have to correctly identify the orientation of the rods - are they up-and-down or side-to-side?

Cuisenaire Rod Art Inspires Thought and Decision - MathFour

Cuisenaire® Rods are based on a metric scale with one white rod being one cubic centimeter. Rods of different colors are 2 through 10 centimeters long. Base Ten Blocks have pieces one centimeter long, 10 centimeters, squares of 100 square centimeters, and cubes of 1000 cubic centimeters, all the same color.

Cuisenaire® Rods Sets - hand2mind

Use centimeter graph paper and some Cuisenaire rods to play this game of building rectangles. Roll a set of dice. The 1st roll tells how long a rod to use; the 2nd roll tells how many of that colored rod to take. Arrange the rods into a rectangle. You can place the rod rectangles on a sheet of centimeter graph paper, or also trace them on the ...

Playing with Cuisenaire Rods | Unschooling Conversations

The students can brainstorm onto large sheets of paper words which fall into these categories, choose some to use and practise mixing them around before deciding whether the sentences work. Table: Word order Cuisenaire rods. For example, Superman quickly found the tired boys in the cave is okay, but Tigers dangerous eat quickly boys is not ...
