projectability as laid out in Do Lunch or Be Lunch are powerful ones. Stevenson makes a very good (and generally overlooked) point about why communities and corporations exist and what they are expected to provide in terms of framework and structure. There are many many companies today that could do with absorbing some of

Your shorter 15 minute lunch break period is most likely categorized as a “short break” under the NYS labor laws rather than an actual lunch period.

While the NY state labor laws do not require that employers provide rest periods of short duration, if they are provided to or taken by employees, they must be counted
