### Homo sapiens - Origin | Britannica

Ecce homo definition is - behold the man —from the words of Pontius Pilate when he presented Jesus, crowned with thorns, to the crowd before his crucifixion.

### Ecce Homo | Definition of Ecce Homo by Merriam-Webster

Yuval Noah Harari's "Homo Deus" continues the tradition introduced in his previous book "Sapiens": clever, clear and humorous writing, intelligent analogies and a remarkable sweep through human history, culture, intellect and technology. In general it is as readable as "Sapiens" but suffers from a few limitations.
