It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Macroeconomics 4th Edition Williamson Solutions

A modern approach to macroeconomics. Williamson's Macroeconomics uses a thoroughly modern approach by showing students how to build macroeconomic models from microeconomic principles. This approach helps to make the text consistent with the way macroeconomic research is conducted today. The fourth edition weaves the recent events of the financial crisis into the material.
