New Earth by Ben Bova, Paperback | Barnes & Noble®

Master storyteller Ben Bova continues his multi-volume "Grand Tour" saga chronicling humanity's exploration of near space with *Titan*, a fast-paced thriller focused on the first manned mission to the Solar System's most intriguing world. Skillfully blending high drama, passionate characters, and daring speculation with the latest discoveries from the current Cassini/Huygens probe of Saturn's moon, Bova has crafted a heart-stopping tale of epic adventure on mankind's next frontier.

Amazon.com: Earth (The Grand Tour) (9780765397195): Bova ...

The Grand Tour is a series of novels written by American science fiction author Ben Bova. The novels present a theme of exploration and colonization of the Solar System by humans in the late 21st century. Most of the books focus on the exploration of one particular planet or planetary moon. Several recurring themes are presented throughout the series. In particular, most of the Solar System bodies whose exploration is the focus of a particular novel are presented as having life, either past or p

Grand Tour (novel series) - Wikipedia

An avid fencer (responsible for organizing Avco Everett's fencing club), Ben Bova is an outspoken atheist; he has dedicated a considerable portion of his life to critiquing the unyielding and unquestioning nature of religion, often taking considerable steps to promote the atheist's ability to live a life that is as morally upright as any religious believer.

Ben Bova - Book Series In Order

Ben Bova was born on November 8, 1932 in Philadelphia. He graduated from South Philadelphia High School in 1949 and has been inducted into the SPSHS Cultural Hall of Fame in recognition of his achievements.
