Just about every model in Nissan's lineup comes with an available auto-manual transmission. However, only a few come standard or available with a fully-manual transmission. They are the 370Z, Frontier, Sentra, and Versa. Driving a stick shift can be tricky, but once you master it, it can be quite a thrill.

**have a manual  
transmission?**

Nissan GTR doesn't have a manual gearbox, but TWO manual gearboxes, each with a clutch, but not with a clutch pedal, both working as a unit to change gears as fast as possible, something like a fancy robotized manual gearbox (es) that does the shifting for you, because the engine is too brutal for any other transmission.
