Northstar Engine Head Gasket Repair

Cadillac Northstar Engine Head Gasket Repair. Vehicle Storage Rates Increasing as of March 15, 2020. Call for more details.

Northstar Performance - Cadillac Head Studs, Cadillac Head ...

To mechanically repair the head bolt problem requires a complete teardown. Drilling out the head bolt threads, installing new sleeves, & replacing the head bolts. Some repair shops refuse to replace a Northstar head gasket. For the ones that will, the starting price is \$2,400 up to \$4,500. Many suggest "just replace the engine."

Auto Repair Cadillac Northstar - Head Gasket Repair ...

The Northstar Engine has long been deemed the worst head gasket repair job in history by most mechanics and do-it-yourselfers. It's not that the engine is that terribly hard to work on; but it's because (until we introduced our repair method) the repairs never seemed to last.

Northstar Performance - SureGrip Cylinder Head Stud Kits

I bought your Head Gasket Fix my 1997 Cadillac Deville with a 4.6L Northstar engine with 111,000+ miles on it. To make a long story short, it worked. The engine was stuttering or missing 15 seconds on a cold start up or 15 seconds after a warmed up stoppage of the engine and restart.

Titan Head Gasket Sealers and Oil Stop Leaks

The failures of the head gasket in the Northstar engines caused the engines to run very hot and overheat while driving, which in turn, made the problem worse and get worse faster than it normally would have. Repairs for this issue are especially expensive and at the high end of the price spectrum, since the engine will have to be removed from the chassis to do the repair, showing how Northstar engines can be a bad choice.

Northstar Engine Good or Bad? What You Need To Know

The actual cost of the head gasket isn't too expensive. A replacement head gasket ranges from around \$30 to \$50. The gaskets are made out of multiple layers of steel and coated in a material similar to rubber. They aren't costly to make - it's the labor that makes the repair so expensive.

Head Gasket Repair Cost: Is It Worth The Money? | Junk Car ...

Cadillac Northstar engine problems. A cornerstone of older Cadillac models, the Northstar engine was hailed for its cutting-edge technology, becoming synonymous with the Cadillac brand. However, the complexity of Northstar engines meant they quickly became notorious for head gasket failures. And with the 'Northstar Condition' affecting Northstar engines from 1993-2005, many owners can quickly find themselves facing costly repairs if these issues aren't fixed quickly.
