Sourcery (Discworld, #5; Rincewind #3) by Terry Pratchett. In the Discworld oeuvre, the story is one of a piece. It has Pratchett's trademark lightning pacing, and it fires gags and one-liners at you as if from a fully automatic Uzi. The book's plot is given just as much attention as is required to carry off the comedy, which is this series ...

It's difficult not to award every Terry Pratchett work 5 stars, but within his high class this probably isn't the best, just almost. Sir Terry this time looks at the difference between Magic and Sourcery, and throws poor Rincewind into the middle of the fray, of course. How he - and Discworld itself - survive for the rest of the series is as ...
