taut psychological portrait of a survivor. Peter's emotions, though hidden, are raw and his suffering feels real. His tale is, apart from details, not unique, as his experiences and trauma are shared by many. Feldman's novel is almost unrelenting in its drama and

The Boy Who Loved Anne Frank | Bookreporter.com

"The Boy Who Loved Anne Frank" is an alternate history but only about the life of a man who wants to be anonymous and not claim his link to one of the most celebrated people of the 20th Century. In real life, Peter van Pels and his parents spent over 2 years hiding with the Frank family and another man, Fritz Pfeffer, in "the secret annex" of Otto Frank's food sales business.

secret annex - but what about the boy who was also trapped there with her? In this powerful and gripping novel, Sharon Dogar explores what this might have been like from Peter's point of view.

ANNEXED from Houghton Mifflin Harcourt

Peter and Anne talk about everything that concerned them. Anne wrote about their situation, their parents, and Peter's dreams for the future: 'He told me that he wanted to go to the Dutch E. Indies and live on a plantation later on.' Peter and Anne fell in love. They cuddled and kissed in Peter's room and in the attic.

Peter van Pels | Anne Frank House

The Boy Who Loved Anne Frank tells the story of Peter Van Pels, who was holed up in the annex in Amsterdam with his family and the Frank family. Instead of him dying during a death march in a concentration camp, this book has him escaping with his life,

Anne had several vivid dreams of Peter while in hiding, wrote about them in her diary, and realized herself that she saw Peter van Pels, at least partially, as a surrogate for Peter Schiff. Anne implies in her diary (12 January 1944) that Peter Schiff gave her a pendant as a gift, which she cherished from then on. Schiff was also a prisoner at Bergen-Belsen, though he was transported from there to Auschwitz before Anne and Margot arrived at Belsen.
