The Land Without A Banking Law: How To Start A Bank With A ...

According to one company, it usually takes 10 to 15 years from acquisition of a property to its development—which suggests that, for some properties, it could take even more. Chances are, those lands remain idle and unproductive through most of that waiting period. Herein lies the problem with land banking.

The problem with land banking | Inquirer Opinion

A land bank is not a panacea for all problems associated with blight, or even a necessary entity in many cities, but in the right environment and with the right legal structure, a land bank can be a key tool for returning vacant and problem property to productive use.

Land Banking FAQ | Center for Community Progress | Center ...

A land purchase can't be leveraged with a bank the same way a home purchase can, so you'll likely have to pay cash if there's no structure on the property yet. An investor purchasing an apartment building, for example, "might be able to put down 20% and get 80% from a bank, putting up the land and the building for a mortgage," says ...
