Buy Study Guide. *Translations* is a play written by Brian Friel in 1980. It is a play in three acts that looks at language, and the history of cultural imperialism in Ireland. It was first performed at the Guildhall in Derry, Northern Ireland in 1980, a decision which Friel thought was significant because it allowed him and his collaborators more creative freedom with the material, and made a more profound statement than if they staged it in Dublin.

Translations Character Analysis | SuperSummary

As the title indicates, the overriding themes of Brian Friel 's Translations are all related to the power of language and the power that comes with controlling language. The play follows the British effort to completely reconstitute the native Irish language, giving anglicized names to places and things that already have Gaelic words attached to them.

Literary Analysis - Translations

Translation is the communication of the meaning of a source language text by means of an equivalent target language text. The English language draws a terminological distinction (which does not exist in every language) between translating (a written text) and interpreting (oral or signed communication between users of different languages); under this distinction, translation can begin only ...
