Tru9480-2 Manual

about the TRU9480-2? I have been reviewing phones and a very similar model (TRU9485-2) has gotten excellent reviews. I can find this phone and the reviews at almost any site. However I purchased the TRU9480-2 and then tried to look it up. I can't find any reviews for it, and even links to stores that claim to have it, don't.
