### Where Have All The Mothers

Mother was always there because her baby was with her when she worked, when she ate, when she played, when she slept and even when she made love. And mothers did not mind that their babies were always there. They would have minded if their babies were not with them. Neither did mothers mind being mothers. Being a mother was good.

### Where Have All the Mothers Gone? - The Natural Child Project

In 1907, Anna Jarvis held a private Mother's Day celebration in memory of her mother, Ann Jarvis, in Grafton, West Virginia. In 1908, she played a key role in arranging a church service that attracted 407 children and their mothers. A Mother's Day International Association was founded in 1912 to promote the holiday in other countries.

### Mother's Day - Time and Date

This is for all the mothers whose children have gone astray and who can't find words to reach them. This is for all the mothers who sent their child to school with a stomach ache, assuring that they would be just FINE once they got there, only to get a call from the school nurse an hour later asking them to please pick them up right away.
